

Why we insist on skin Tests

Acting responsibly and in a professional manner for your safety

Required for
Hair Colours
Lash & Brow Tint
Lash Lift
Brow Lamination
Eyelash Extensions

Skin testing is for your protection, you can develop an allergic reaction at any time even if you have had colours regularly. A skin test is done at least 48 hrs prior to the service, we will ask you to sign that it has been done and we keep it on record.
